

# HOW WILL YOU MAKE A *difference?*

Everybody Beautiful is a 501c3 non profit established in 2018 by Kristin Rutledge.

THE MISSION OF EVERYBODY BEAUTIFUL IS TO EMPOWER AND PROVIDE WOMEN WITH HOPE AND SUPPORT WHO ARE OVERCOMING ABUSE, ADDICTION AND OTHER UNFORTUNATE CIRCUMSTANCES.

The apparel line, Project Everybody Beautiful is currently the fund provider for Everybody Beautiful.

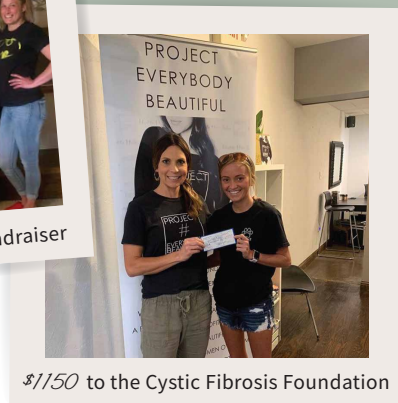

In the last 2 years, Everybody Beautiful has been giving back locally by providing funds and services to a recovery home, a recovery support group, and a domestic violence shelter- along with gift cards for haircuts to children and families transforming their lives, boosting confidence and fitness memberships to help establish healthy living routines.

Nationally, Everybody Beautiful has donated raised funds to the American Heart Association, The Cystic Fibrosis Foundation, and The American Cancer Society.

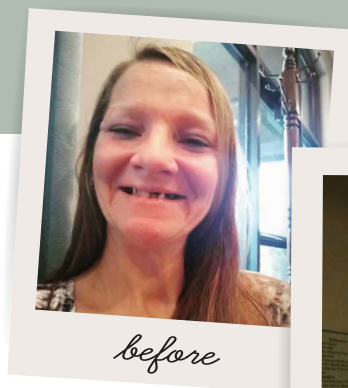

*Every donation makes a difference. A woman is empowered and her legacy lives because of your support and love. Let's give hope and change the world together.*
